DESIGN EXPERIENCE

Orthognathic Designer, KLS Martin; Jacksonville, FL – 2020 - 2021

Virtual 3D Planning Software for Orthognathic Surgery, produced splints or custom guides/ plates. Designed customized patient specific solutions for surgeons during the patients procedure.

Pool Designer, Epic Pools & Hardscape Construction; Jacksonville, FL – 2020

Certified on Structure Studios through online VIP3D training. Involved in the construction sales process (Including technical drawings). Designed custom lounge area/pool features.

Cocoon Design Challenge, Commercial Practices; SCAD, GA – 2018

Teams of 3 collaborated to create their own solution to a medical device problem with current models. Brought products from concept to production. Contributions included designing the CAD models, helping render and 3D printing.

Sales Associate, Donna Karen New York; Clinton, CT – 2014 - 2016

Understood the way the store's look was essential to drawing customers. Exceeded sales goals while developing the team. Ensured a positive customer experience by keeping all areas clean & presenting merchandise according to company visual merchandising standards. Exceptional leadership skills and sales leader abilities.
